

COLONNINA DI STOPFILA / STOP QUEUELINE

StopLine

La colonnina StopLine è uno strumento indispensabile per l'organizzazione di zone riservate e per delimitare spazi di rispetto. E' costituita da colonna e base bombata di grande stabilità e corredata nella parte superiore di numerosi accessori, porta avvisi / porta poster a tasca piatta e tasca porta depliant in Plexiglas® antiurto trasparente.

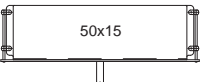

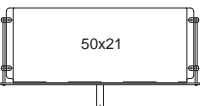

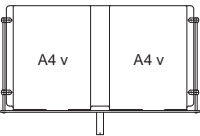

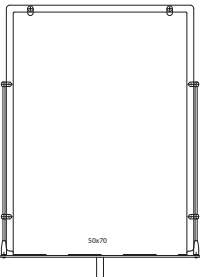

The StopLine column is an indispensable tool for the organization of reserved areas and for delimitation of private spaces. It consists of an ultra stable column and convex base and is equipped at the top end with additional accessories such as notice-signs /flat pocket poster-signs and brochure pockets in transparent shockproof Plexiglas®.
