

ESPOSITORE A COLONNA BIFACCIALE / DOUBLE-SIDED COLUMN DISPLAY STAND

Info-Point

L'espositore Info-Point dal design particolare, è concepito come strumento d'informazione per la segnaletica interna. Può essere configurato con tasche porta messaggio, tasche porta depliant, pannelli o banner personalizzati, il tutto arricchito da finiture cromate. La struttura è realizzata in metallo/alluminio verniciato color grigio gofrato metallizzato e le tasche in Plexiglas® antiurto trasparente.

Crown superiore personalizzabile
Personalized top crown

The Info-Point display stand a particularly practical design, is conceived as an information indoor signpost. It can be arranged with personalized pockets for messages, for brochures, panels or banners. The structure is realized in metal/aluminum, enriched with a chrome finish, while the pockets are made in transparent shockproof Plexiglas®.
