

ESPOSITORE A COLONNA BIFACCIALE / DOUBLE-SIDED COLUMN DISPLAY STAND

BB-Display

L'espositore BB-Display è l'indispensabile strumento di comunicazione adatto soprattutto a chi ha l'esigenza di una rapida movimentazione dei messaggi all'interno degli ambienti. E' studiato per una configurazione del lay-out secondo le molteplici esigenze di personalizzazione. Mantenendo costante l'interasse dei cavetti, possono essere alloggiati le diverse combinazioni di formati, con tasche piatte o portadepliant in Plexiglas® antiurto trasparente, fissate con attacchi, morsetti cromati e cavi in acciaio inox. La struttura bifacciale autoportante è realizzata in metallo/alluminio verniciato color grigio goffrato metallizzato.

The BB-Display stand is an indispensable communication tool suitable for all who need to convey messages rapidly inside a given environment. It has been designed to enable structuring and lay-out according to exceptional personal needs. Maintaining constant distance between centers of the wire rope, different combinations of formats, with flat pockets or brochure frame in transparent shockproof Plexiglas® can be placed or fixed with chrome clamps and stainless steel wire ropes connections. The double-sided self-supporting structure is constructed from metal/ aluminium and painted in embossed metallic grey.
