

ESPOSITORE A PARETE / WALL DISPLAY STAND

WBBS-Display

L'espositore WBBS-Display è una bacheca utile per l'esposizione di messaggi ed avvisi trattenuti da piccole e non invasive calamite colorate. E' costituito da un elegante pannello in lamiera forata con foro quadro, verniciato con finitura antigraffio e fissato a parete con borchie distanziali. Sulla parte superiore può essere alloggiato, in modo opzionale, un crowner di varie forme e dimensioni, con messaggi INFORMATION AVVISI ALLA CLIENTELA oppure con loghi e slogan secondo le esigenze del cliente.

The display stand WBBS-Display is a notice-board useful for holding messages and notices with non invasive coloured magnets. It is made of an elegant square panel in perforated plate varnished with non-scratch finish and fixed on the wall with distance knobs. An optional crown with different forms and sizes can be placed on the top with display cards for INFORMATION, CUSTOMER MESSAGES or logos and slogans according to customer request.
