

ESPOSITORE PORTA AVVISI INCLINATO / INCLINED MESSAGE DISPLAY STAND

DDP

DDP è il classico espositore da banco inclinato indicato per singoli fogli o fotografie. È realizzato in Plexiglas® con sistema a tasca piatta per una facile e rapida sostituzione del messaggio facilitata dallo speciale dettaglio per l'estrazione del foglio. Il particolare sistema costruttivo, rende gli espositori verticali utilizzabili anche in orizzontale.

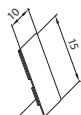

DDP is the classic inclined desk display stand suitable for single sheets or photographs. It is designed using Plexiglas® with a flat pocket system for easy, quick message exchange aided by a special detail for sheet extraction. The particular system of construction makes the vertical display stand also convertible as a horizontal stand.
