

PORTACARAMELLE / SWEET DISPENSER

PCBL

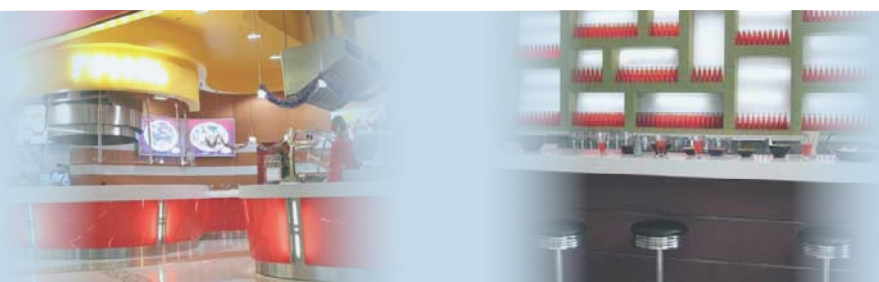

La caramelliera a bocca di lupo PCBL in Plexiglas® trasparente è la classica portacaramelle con coperchio basculante a scomparsa interna. E' disponibile nelle versioni a singola o multi buca, con o senza coperchi, ed è predisposta per l'inserimento della paletta di presa del prodotto sia confezionato che sfuso. E' adatta a contenere oltre alle caramelle e confetti, anche cereali, capsule del caffè, frutta secca, crocchette per animali, ecc....

Tutte le caramelliere sono in Plexiglas® corredate di CERTIFICATO di CONFORMITA' al contatto Alimentare (MOCA) secondo le normative CE.

The PCBL mouth sweet dispenser in transparent Plexiglas® is the classic sweet dispenser with internal tilting lid. It is available in single or multi-hole versions, with or without lids, and it has been designed for the insertion of the grip spoon as regards both packaged and loose product. It is suitable to contain not only candies and sugared almonds, but also cereals, coffee capsules, dried fruit, biscuits for pets, etc...

All sweet dispensers are in Plexiglas® and supplied with a CERTIFICATE OF CONFORMITY for food use (MOCA) according to the CE regulations.
