

TARGA / PLATE

TAPWS

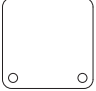

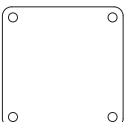

L'espositore TAPWS è una targa in Plexiglas® trasparente, può essere personalizzata con pellicola adesiva, con stampa diretta o con scritte incise. E' fissata a parete con borchie distanziali cromate.

The TAPWS display stand is a plate made of transparent Plexiglas®, it can be personalized with adhesive film, with direct print or carved writing. It is fixed to the wall with chrome wall spacers.
