

TARGA / PLATE

WSDB-Display

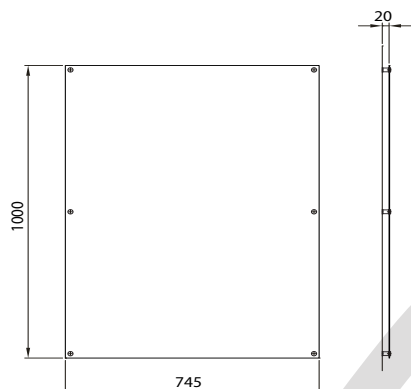

L'espositore WSDB-Display è una targa generalmente di grande formato realizzata in materiale composito Al/PE/Al resistente, è quindi ideale anche per l'esterno. E' personalizzata con pellicola adesiva o con stampa diretta ed è fissata con borchie distanziali cromate.

The WSDB-Display is a plate, generally in big format, made of resistant Al/PE/Al composite material, therefore it is suitable for the outdoor. It is personalized with adhesive film or with direct print and it is fixed with chrome wall spacers.
